Sir or Madam:

In response to the Notice of Abandonment issued on January 2, 2004 for the above-referenced application, Applicant filed a Petition to Withdraw Holding of Abandonment pursuant to 37 C.F.R. §1.181 on September 8, 2005.

Since Applicant did not receive any communication from the USPTO after filing the Petition, Applicant recently contacted the Petition Office (i.e., Ms. Fran Hicks) to check the status of the case. Ms. Hicks indicated that there is no record that the USPTO received the September 8, 2005 Petition and suggested resubmitting the copies of the Petition along with any proof of filing the same.

Accordingly, Applicant re-submits herewith copies of documents filed on September 8, 2005 which include: (1) Stamped return receipt postcard for the Petition, (2) Express Mail Certificate, (3) Petition To Withdraw Holding of Abandonment, and (4) Copies of documents previously filed on 11/12/2003.

The copies of documents previously filed on 11/12/2003 include: (1) stamped return receipt postcard, (2) Certificate of Mailing, (3) Check for \$1,342.00, (4) Issue Fee Transmittal, (5) Fee Transmittal Form PTOL-85B, (6) Amendment under §1.312 with Drawing Replacement Sheets and Annotated Marked-up Drawings annexed thereto, (7) Formal Drawing Transmittal Letter with Formal Drawings 1-19 annexed thereto.

In view of the facts as described above, Applicant respectfully requests withdrawal of the Abandonment and expedited issuance of the subject patent.

UNDER 37 C.F.R. §1.181**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir or Madam:

In response to the Notice of Abandonment issued on January 2, 2004 for the above-referenced application, Applicant files this Petition to Withdraw Holding of Abandonment pursuant to 37 C.F.R. §1.181.

On November 12, 2003, Applicant paid the issue fee and submitted an Amendment under §1.312 along with a set of formal drawings (Figs. 1-19) as required by the Notice of Allowability dated August 12, 2003. However, the January 2, 2004 Notice of Abandonment indicates that "No corrected drawings have been received."

Applicant recently contacted Mr. Tom Hawkins and he confirmed that our submission of the corrected drawings along with the November 12, 2003 issue fee payment was received and was scanned into the FW system but they cannot be accessed. Mr. Hawkins advised Applicant to re-submit the filed November 12, 2003 documents along with evidence of mailing receipt by the USPTO.

Accordingly, Applicant submits herewith the filed documents of the November 12, 2003 submission which includes, *inter alia*, a set of formal drawings (i.e., Figs. 1-19) reflecting drawing corrections. Also enclosed is a copy of returned postcard which indicates that the filing documents were received by the Patent Office on November 17, 2003.

Applicant respectfully requests withdrawal of the Abandonment in view of the facts as described above and issuance of the subject patent.
